DELTA GAMMA LAMBDA CHAPTER

Our History

The Delta Gamma Lambda Chapter was chartered December 20, 1947 in Cincinnati, Ohio.

The influx of many new and young professionals in the Cincinnati area created a need to change the status and affiliation with the Alpha Alpha Chapter at the University of Cincinnati, chartered December 20, 1920. This valuable experience helped these men to provide a steady influence through the 1930's. Delta Gamma Lambda was established during the fraternity's era of "militant liberalism". During the era, the fraternity took aggressive action to eliminate segregation and discrimination against Negroes and to secure full civil rights.
